

1. Print double-sided onto paper or card stock.
 2. Trim using the black lines as guides.
 NOTE: First trim away the outside edges from the 8.5 x 11 inch sheet after printing it.
 Then trim down the middle. Lastly, trim between the two main cards.

How to make fold-over cards, approximately 4 inches by 2.25 inches:

Copy 2-sides back to back.
 Cut along the 6 dotted lines.
 Fold on the double lines.
 If the two sides do not line up,
 take it to a professional copy shop.
