

NOTE: First trim away the outside edges from the 8.5 x 11 inch sheet after printing it.
Then trim down the middle. Lastly, trim between the two main cards.

2. Trim using the black lines as guides.

1. Print double-sided onto paper or card stock.

How to make fold-over cards, approximately 4 inches by 2.25 inches:

Copy 2-sides back to back.
Cut along the 6 dotted lines.
Fold on the double lines.
If the two sides do not line up,
take it to a professional copy shop.
